**REQUEST FOR QUOTATION FOR PRINTING OF
"NAFCUB REPERTOIRE – RBI MASTER DIRECTIONS"**

The **National Federation of Urban Co-operative Banks and Credit Societies Ltd. (NAFCUB)** is the apex organization of the urban co-operative credit sector, representing over 1,450 Urban Co-operative Banks and more than 60,000 Co-operative Credit Societies across the country.

NAFCUB proposes to publish **"NAFCUB Repertoire – RBI Master Directions"**, comprising all **27 Master Directions issued by the Reserve Bank of India during 2025 in respect of Urban Co-operative Banks** that are available on **RBI website**. The publication is intended to serve as a comprehensive reference resource for the Urban Co-operative Banking Sector.

The proposed specifications of the publication are as follows:

Particulars	Specifications
Size of Book	5.5 × 8.5 inches
Paper	70/80 GSM
Printing	Single-colour printing
Cover	Multi-colour cover with Perfect Binding and Lamination
Number of Pages	Approximately 1,500 pages, (to be printed in two volumes)
Quantity	200 copies of each volume

Scope of Work

The selected printer will be required to undertake the complete printing, binding finishing and delivery of the publication as per the specifications mentioned above and in accordance with the quality standards expected for a professional reference publication.

Submission of Quotation

Interested and reputed printers/agencies are requested to submit their quotation, along with the above-mentioned details, including applicable taxed and delivery schedule to: **The Chief Executive Officer, National Federation of Urban Co-operative Banks and Credit Societies Ltd. (NAFCUB), New Delhi**. The quotation/proposal may be submitted by email at: ce@nafcub.org. The quotation should reach NAFCUB latest by **11th October 2026**. **Preference would be given to reputed and experienced printing agencies located in Delhi NCR.**

NAFCUB reserves the right to accept or reject any quotation/proposal, wholly or partly, without assigning any reason.

For Chief Executive Officer
